**THE PROPOSAL IS FOR CHANGES TO AN EXISTING DWELLING SITUATED IN MUSGRAVE
AREA, DURBAN.**

The Heritage Officers Committee meeting considered your application on 23 June 2022. The committee noted that the photographs provided were not sufficient to make an assessment and that there could be illegal work not shown. No grading could be established as there were no streetscape photos.

The applicant was required to submit all four side proximity pictures, internal photographs of the property/ building/ house, and streetscape pictures for grading.

Failure to comply with the requirements of the National Heritage Resources Act and the KwaZulu-Natal Amafa and Research Institute Act would mean that no authorization will be given.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully

John Pakwe
Heritage Officer
KwaZulu-Natal Amafa and Research Institute
