In terms of Section 33(1) of the KwaZulu-Natal Heritage Act (Act 4 of 2008) and the National Heritage Resources Act (Act 25 of 1999)

Attention: Rundhir Surujlal

16 Midsomer Crescent

Alterations and additions to a structure which is, or which may reasonably be expected to be more than 60 years old. Alteration and additions to 116 Botanic Gardens Road, Musgrave, Durban

Unauthorised Additions and Alterations: 116 Botanic Gardens Road

The permit application in respect of the above, received on the 16 August 2013 (uploaded to Sahriss on the 21/10/2013), reviewed by the Built Environment Committee on the 20 August 2013 and the 21 November 2013 refers. Please be advised as follows:

Attempts to verify if EtheKwini Metro had agreed to the continuation of work on the site, as claimed by the applicant, have been fruitless.

The BEC stood by its earlier decision not to approve the unauthorised alterations and the new proposed work until the Metro had responded.

I have approached the Metro Building Inspectorate again and if I obtain a response it will be forwarded to the BEC meeting to be held on the 23 January 2014

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
