Dear Mr Morris,

PERMIT: No. 80/05/11/004/51

I attach as requested a permit to allow for the rescue of a number of graves in an unmarked cemetery, which were disturbed during trenching for the construction of a bulk sewer for a new housing development in the Lusaka Township, Middelburg, Eastern Cape. In terms of agreements with local community leaders, the human remains are to be rescued (as the permit conditions prescribe) and temporarily stored in a room adjoining the Municipal Archives in Middelburg until they are to be reinterred in a demarcated area next to the old burial ground.

SAHRA wishes you every success with the project.

Sincerely

Mrs Mary Leslie
