We acknowledge receipt of your application for a permit to carry out work on the above property. The KZN Amafa and Research Institute (the Institute) reviewed the application on the 16 August 2023

Please be advised as follows:-

- (1) The Institute was unable to consider the merits of the application as the work had already commenced, alternatively, has been completed;
- (2) As a result, a permit cannot now be issued;
- (3) We would like to draw your attention to the fact that your failure to obtain a permit prior to the commencement of the work, is in contravention of the provisions of the KwaZulu-Natal Amafa and Research Institute Act (5 of 2018), and as such is a criminal offence for which you may be prosecuted;
- (4) However, the Institute has decided to condone your failure to obtain a permit, as required, on condition that the work was conducted strictly in accordance with drawings **drawn by: C VAN BREEMEN and dated: JULY 2023, received by the Institute on 05 August 2023** and that all the work shown on the application is completed within a calendar year of the date of this letter.
- (5) Prior written approval from the Institute is required for any deviation to the approved plans.
- (6) No legal action will be instituted against you in this instance.
