## Letter

### In terms of Section 27(23) of the National Heritage Resources Act (Act 25 of 1999)

Attention: Taylor Burtenshaw

Suite 22, 81 Waratah Avenue Dalkeith, Western Australia 6009

**Our purpose for filming at the Cradle of Humankind is for our series called Impossible Planet. Our crew has received permission from the tourist operator Lindsay Marshall to film both the Paleontological site and the Sterkfontein Caves.**

Dear Ms T. Burtenshaw,

Thank you for your application for filming at Sterkfontein Caves within the Cradle of Humankind World Heritage Site. As per our email correspondence on 29 January 2019 filming will be done at Sterkfontein Caves only and no filming will be done at Swartkrans National Heritage Site. The SAHRA Archaeology, Palaeontology and Meteorites Unit has reviewed the application and has decided to approve filming at Sterkfontein Caves.

We wish you every success with this project.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
