Letter of Advice

In terms of Section 32(19) of the National Heritage Resources Act (Act 25 of 1999)

Attention: Dr Elizabeth Catherine Velliky

Centre for Early Sapiens Behaviour University of Bergen, Norway

The goal of this project is to systematically document and analyze the ochre and mineral pigment assemblage from the Klipdrift Shelter site (KDS) located in the De Hoop Nature Reserve, southern Cape, South Africa. Specific aspects regarding the use of pigments at the site are still yet unexplored. Overall, this project will contribute to an ever-growing body of research on the role of the southern Cape in the emergence and evolution of modern human behaviours.

Dear Dr. Velliky,

RE: Proposal for the study of ochre assemblage at Klipdrift Rock Shelter (KDS)

Thank you for your permit application on the proposed study of ochre assemblage at Klipdrift Rock Shelter (KDS).

SAHRA has received your application and it under review. Please update your SAHRIS application to indicate that you are applying for an export permit and if this is a temporary or permanent export. Please provide the following to assist with further processing of your application:

1. A new permit from HWC or a letter from HWC granting an extension as the current permit expired in December 2020.2Also create
2. object IDs on your application for each object or sample to be exported. You can also create a bulk list of object per housing institution i.e. Iziko and ESI.

Best wishes,

Should you have any further queries, please contact the designated official using the case number quoted
