Application for the permanent export of 116 works of art by various South African artists to France.

Dear Margarida Fernandes

Attached you will find the requested permit for the permanent export of 116 artworks by various South African artists, for which you applied.

Due to the scope and content of the three associated export permits (PermitID: 3333; 3334 & **3335**) the SAHRA would like to kindly request that the owners of the works remain cognisant of the potential significance of the collection as a whole to South African heritage, and should consider that provision be made for the possible return of the artworks at some point in the future.

Additionally, should artworks from the collection be offered for sale in future, the SAHRA would furthermore encourage the owners to prioritise the South African market.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully

Cuan Hahndiek
