## Letter of Advice

### In terms of Section 35(4) of the National Heritage Resources Act (Act 25 of 1999)

Attention: Dr Ndukuyakhe Ndlovu

South African National Parks

Manager: Archaeology

South African National Parks 643 Leyds Street Muckleneuk

**A grave was discovered in 2020, inside one of the staff compounds at Mapungubwe National Park, and within a few metres of two entrance doors to sleeping quarters. There is nothing on the grave itself that enables one to know who may be buried inside the grave. Following an extensive social consultation process, the identity of the person has not been revealed. Due to the current location of the grave, and to give respect to the individual buried on site, the aim is to have the grave exhumed and reburied a few metres away, just outside the staff compound. No studies on the discovered human bones shall be undertaken.**
