Permit Application for the Phase 2 Archaeological Mitigation for the site DUB004 at the Agrizone 2 Development, Dube Trade Port, Development Close to King Shaka International Airport in the Province of Kwazulu Natal

The Heritage Officers Committee meeting considered the application on 16 March 2022. The committee noted that an application form D was submitted in which an application form F is appropriate for the nature of the proposed work.

The applicant is required to upload an application form F so that the committee can make a resolution based on an appropriate application form. Furthermore, the applicant is advised to tick the appropriate boxes in the checklist of the application form and ensure that the form is complete upon submission.

Failure to comply with the requirements of the National Heritage Resources Act and the KwaZulu-Natal Amafa and Research Institute Act could lead to legal action being instituted against the applicant.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
