The application for comment/decision in terms of heritage legislation was considered by the Provincial Heritage Authority, the KwaZulu-Natal Amafa and Research Institute at the Heritage Officers Meeting held on 19 October 2022, 02 November 2022, 09 November 2022 and 16 November 2022.

Committee resolved not to object to the proposed development within the limits of stipulated mitigation measures and the following standard conditions.

STANDARD CONDITIONS

1. The KwaZulu-Natal Amafa and Research Institute should be contacted if any heritage objects are identified during earth-moving activities and all development should cease until further notice.
2. No structures older than sixty years or parts thereof are allowed to be demolished, altered, or extended without a permit from the KwaZulu-Natal Amafa and Research Institute.
3. Under no circumstances may any heritage material be destroyed, inundated, collected, or removed from the site unless under the direction of the KwaZulu-Natal and Amafa Research Institute and a heritage specialist.
4. Should any remains, that could potentially be human remains be found on-site, the South African Police Service (SAPS) should be contacted, and the KwaZulu-Natal Amafa and Research Institute must

be notified immediately. No SAPS official may disturb or exhume such remains, without the necessary permission from the KwaZulu-Natal Amafa and Research Institute.

5. No activities are allowed within 50m of a site that contains rock art.

6. Sources of all-natural materials (including topsoil, sands, natural gravels, crushed stone, asphalt, etc.) must be obtained in a sustainable manner and in compliance with the heritage and environmental (NEMA) legislation.

7. The committee resolved not to object to the development within the limits of the general stipulated conditions and mitigation measures. Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
