Dear Messrs Hart and Halkett

PERMIT: 80/05/09/006/51

I attach as requested a permit to allow a monitoring operation of earth moving at 1 Highfield Street. This area is within the 'Green Point Burials Ground Core area', now provisionally protected by SAHRA.

The permit allows for full monitoring of all earthmoving, provided that preliminary trial excavations be conducted in the front garden (possibly on either side of the stairway). In addition the archaeologist should advise about the need for a test pit on other portions of the property where earth moving is planned.

Should you have any questions regarding this matter please contact the Archaeology Unit.

SAHRA wishes you every success with the project.

Sincerely

Mrs Mary Leslie
