PERMIT: No. 80/05/02/00452

I attach as requested a permit for the temporary export of material from Kromdraai, curated at the Transvaal Museum, as noted on the permit under loan number B14019) to Ms Natalie Long at the University of Montpellier in France. SAHRA understands that previous results on pollen analysis will be reappraised and completed and will also include analysis of micro-and macro faunal results of the Kromdraai area. It has also been noted that the material will be couriered to Ms Long in France.

Council wishes you every success with the project.

Sincerely

Mrs Mary Leslie
