Dear Dr Backwell

**PERMIT:** No.80/05/05/017/51

I attach as requested a permit to undertake limited exploratory excavations at Wonderkrater, in the Potgietersrus District, Limpopo province. SAHRA supports the multi-disciplinary nature of this research project that aims to correlate palaeoenvironmental data with archaeological finds to produce an accurate record of late Pleistocene climate, environment and human activity in the area.

SAHRA wishes you and the team every success with the project.

Sincerely

Mrs Mary Leslie
