Dear Prof Berger

PERMIT: No. 80/04/05/016/51

I attach as requested a permit to close excavations at Plover's Lake internal deposits, and to rehabilitate the excavation surfaces, using sandbags and shoring material to protect the integrity of the excavated surfaces in the areas of recovery of hearths and human remains. Please review the conditions of the permit before commencing work on site.

SAHRA wishes you every success with the project.

Sincerely

Mrs Mary Leslie
