Dear Mr Blundell

PERMIT: No. 80/06/02/009/51

I attach as requested a permit to damage 200 unprovenanced Acheulean stone tools for display at the Origins Centre Museum, at the University of the Witwatersrand. SAHRA understands that Pratley's Clear Glue as apposed to conservation glue was suggested, as the artefacts are too heavy for conservations glue. SAHRA should be notified should there be any concerns in future when the use of the glue needs to be reversed.

SAHRA wishes you success with the project.

Sincerely

Mrs Mary Leslie
