Dear Dr Berger

PERMIT: No. 80/05/07/014/51

I attach as requested a permit to allow for invasive sampling and analysis by means of isotopic analysis and x-ray diffraction of unprovenanced mummified human remains. SAHRA understands these remains, which are currently curated at the National Cultural History Museum, were accessioned in the 1930s from Bronkhorstspuit.

SAHRA wishes you every success with the project.

Sincerely

Mrs Mary Leslie
