PERMIT: No. 80/05/01/013/51

I attach as requested a permit to mitigate Iron Age and historic sites at the Harbour Town development in the Midvaal district, Gauteng province. All sites mitigated must be documented as required in terms of the permit conditions. Any activity on site, during ground moving or construction, which uncovers archaeological features, should cease and an archaeologist should be contacted to evaluate the finds.

SAHRA wishes you every success with the project.

Sincerely

Mrs Mary Leslie
