Dear Dr Nienaber

PERMIT: 80/05/03/016/51

I attach a permit as requested to undertake mitigation of graves disturbed during the construction activities at plot 163, Kameelfontein Estate, Gauteng province. SAHRA agrees with the recommendations as indicated in the Phase 1 report. In terms of the requirements of Section 36, social consultation should be embarked on when the appropriate funds are available and recommendations determined by identified communities should then be undertaken.

SAHRA wishes you every success with the project.

Sincerely

Mrs Mary Leslie
