**Proposed Garage, ancillary unit and alterations to main dwelling on Erf 39 Portion 142, 36  
Glenmore Crescent, Athlone, Durban North.**

We acknowledge receipt of your application for a permit to carry out work on the above property. The KwaZulu-Natal Amafa and Research Institute (the Institute) reviewed the application on 25 May 2022.

Please be advised as follows: -

- (1) The Institute was unable to consider the merits of the application as the work had already commenced;
- (2) As a result, a permit cannot now be issued;
- (3) We would like to draw your attention to the fact that your failure to obtain a permit prior to the commencement of the work, is in contravention of the provisions of the KwaZulu-Natal Amafa and Research Institute Act (5 of 2018), and as such is a criminal offence for which you may be prosecuted;
- (4) However, the Institute has decided to condone your failure to obtain a permit, as required, on condition that the work was conducted strictly in accordance with **North Coast Architects, drawings (02-39/142-DB), dated: 29 April 2021, received by the Institute on 03 May 2022**, and that all the work shown on the application is completed within a calendar year of the date of this letter.
- (5) Prior written approval from the Institute is required for any deviation to the approved plans.
- (6) No legal action will be instituted against you in this instance.

**Failure to comply with the requirements of the National Heritage Resources Act and the KwaZulu-Natal Amafa and Research Institute Act could lead to legal action being instituted against the applicant**
