**PERMIT:** 80/05/02/003/52

I attach as requested a permit to export bovid teeth specimens from Kromdraai, Swartkrans and Sterkfontein, as listed in the permit, from the NFI: Transvaal Museum in Gauteng province to Dr V Batter in France. SAHRA understands that the purpose of the export is to allow Dr Batter to use U/Th/Pb dating to date the different stratigraphic members of Sterkfontein, Swartkrans and Kromdraai. It has also been noted that Dr Batter will hand courier the material to France and will return the specimens via courier.

SAHRA wishes you every success with the project.

Sincerely

Mrs Mary Leslie
