Dear Dr van Schalkwyk

PERMIT: No. 80/06/04/004/51

I attach as requested a permit to exhume and relocate graves (older than 60 years) in an informal cemetery that will be disturbed by the development of pipeline from the Vaal Dam to Secunda. SAHRA understands that the burials will be relocated to Balfour and Greylingstad.

SAHRA requests that any future burials applications should be submitted with a covering letter describing what is proposed and what is wanted, please supply a full motivation as required in the permit form. Given the volume of applications we receive and the time constraints within which our office operates it is easier to understand the documentation if one has a proper summary. In addition a summary of the consultation process is also required. You are welcome to contact us should you wish to discuss these requirements.

SAHRA wishes you success with your project.

Sincerely

Mrs Mary Leslie
