Dear Dr Hall

PERMIT: No. 80/05/02/018/51, 80/05/02/019/51

I attach as requested a permit to undertake archaeological work, which would entail limited excavation for the purpose of collecting metallurgical debris samples from Blaaubank Donga and Smelterskop, two Iron Age sites in the Limpopo province. It is SAHRA's understanding that the aim of the project is to assess the chronology, source and nature of tin (and copper) metallurgy in the Rooiberg area from the second millennium.

SAHRA wishes you every success with the project.

Sincerely

Mrs Mary Leslie
