Dear Mr Morris

**EXPORT PERMIT:** No. 80/05/08/010/52

I attach as requested a permit to allow for the export of soil samples for dating and palaeomorphological studies from Wonderwerk collected in terms of the Chazan/Morris permit for the dating of this site. This includes 30 palaeomagnetic dating samples (oil); 8 cosmogenic dating samples (soil); 15 micro-morphology samples (soil); 2 uranium-dating samples (stalagmite, rock with calcite) and 2 radiocarbon samples (non artefactual wood). SAHRA understands the samples will be sent to M. Chazan for C14 and Ur dating; to P Goldberg for micro-morphology; to H. Ron for palaeomagnetic dating and A. Matmav for cosmogenic dating, as indicated in the permit.

SAHRA wishes you every success with the project.

Sincerely

Mrs Mary Leslie  
SAHRA: Manager of the Archaeology, Palaeontology and Meteorites Unit  
For CHIEF EXECUTIVE OFFICER
