Dear Dr Sadr

PERMIT: 80/05/04/014/51

I attach as requested a permit to undertake test excavations at the Later Stone Age/herder site of Gallashiels 8 (GS8), in the Bochum district, Limpopo province. This permit has been granted as a previous permit issued to undertake excavations at Gallashiels has expired and as work has yet to be undertaken at this site. It has also been approved as it aims to contribute further documentation of the Later Stone Age (LSA) hunter-gatherer economy and will tie in with the rock art research by Mr Ed Eastwood in the Makgabeng Hills.

SAHRA wishes you every success with the project.

Sincerely

Mrs Mary Leslie
