Dear Dr Theron

PERMIT: No. 80/05/08/011/62

I attach as requested a permit for the temporary export of invertebrae fossils (as listed on the permit), collected in April 2005, from soom shale on the farm Keurbos, Clanwilliam District, Western Cape. SAHRA understands these samples are to be exported to Dr Aldridge at the Department of Geology, Leicester University for identification and dating.

SAHRA wishes you every success with the project.

Sincerely

Mrs Mary Leslie
