Dear Mr Hart

**PERMIT:** No. 80/05/09/004/51

I attach a permit to excavate and monitor all earthmoving activities at The De Waterkant site (erven 713 to 718, 159321 and 164202) in order to assess the likelihood of burials and human remains on this site.

In the absence of an archaeological report, SAHRA requires test pits through the floor as determined by the archaeologist and in consultation with SAHRA.

Should you have any questions regarding this matter, please contact SAHRA before commencing work on this site.

SAHRA wishes you every success with the project.

Sincerely

Mrs Mary Leslie
