## Letter

### In terms of Section of the National Heritage Resources Act (Act 25 of 1999)

Attention: Mr Clive Fanti  
Finsch Diamond Mine (Pty) Ltd  
PO Box 71007  
Bryanston  
2021

### The proposed prospecting area is located on various farms within the jurisdiction of the Taung Magisterial District, North West Province.

Thank you for submitting a draft BAR and EMPr regarding an application for prospecting rights on various farms in the Taung Magisterial District, North West Province.

As requested in a previous letter from 27 October 2015, SAHRA requires a Heritage Impact Assessment (HIA) or at least a letter by an accredited archaeologist that exempts the company from conducting an HIA at the prospection stage. Please note that before any mining activities commence, an application for mining rights must be submitted to SAHRA that contains a field HIA including an Archaeological and a Palaeontological Impact Assessment.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
