Dear Mr Cisneros

PERMIT: No. 80/06/05/006/62

I attach as requested a permit to allow for the temporary export of a partial reptile postcranium (QR3061, Loan 006), preserved in two blocks with matrix, which is to be exported to Ms Linda Tsuji, in Berlin. SAHRA understands that project aims to do anatomical comparisons of this material with the reptile *Macroleter* found in the Permian of Russia and the USA, specimens of which are being held at Humboldt University in Berlin.

SAHRA wishes you every success with the project.

Sincerely

Mrs Mary Leslie
