Dear Mr Morris

I attach as requested a permit to allow for archaeological mitigation of three sites, King Site 1 (Pleistocene to Early Farmer Shelter and talus slope), King Site 2 (Pleistocene surface scatter) and Parson Site 1 (Pleistocene surface scatter) before mining proceeds in these areas. Four cemeteries identified during the impact assessments must be fenced (with a buffer zone of 10-15m between the graves and the fence and protected.

SAHRA wishes you success with the project.

Sincerely

Mrs Mary Leslie
