#### **Alterations, upgrades and additions to existing classrooms and boarding houses at Ohlange High School, Inanda, EtheKwini, KwaZulu-Natal. Drawings D11.018J-1.101 MACRO SITE PLAN**

The application has been considered by the Provincial Heritage Authority, the KwaZulu Natal Amafa and Research Institute . The general site is of high heritage value because of the history of its landuse.

Considering the heritage value of the area of proposed development, a Heritage Impact Assessment is required for the above proposed project. The study should include assessment by experts in the specialist components including but not limited to a palaeontologist, heritage architecture and historian.

The Study should cover:

- Identification of all heritage resources in the development area and its surroundings -50m
- Assessment of the impact of the development on such heritage
- Evaluation of the impact of the development on heritage resources relative to the sustainable social and economic benefits to be derived from the development
- Results of consultation with communities affected by the proposed development and other interested and affected parties regarding the impact of the development on heritage resources.
- Consideration of alternatives if heritage resources are affected by the development
- Mitigation plans for any adverse effects during and after completion of the project
- Table of all heritage resources identified .This should show Heritage resource type, description, location, significance and reasons for this rating.

Should you have any further queries, please contact the designated official using the case number quoted
