Dear Dr Nilssen

PERMIT: No. 80/04/08/032/51B

I attach as requested a permit to mitigate sites 1 through 29 as identified in the Phase 1 Archaeological Impact Assessment Report for the proposed St Francis Bay Golf Estate development. Please note the permit conditions stipulated. In addition SAHRA would like to stress the importance of considering the input of interest groups as the Khoisan group in Humansdorp in this mitigation process.

SAHRA wishes you every success with the project.

Sincerely

Mrs Mary Leslie
