Letter

In terms of Section 38 of the National Heritage Resources Act (Act 25 of 1999)

Attention: Adriaan Johannes Hendrikus Lamprecht
Enviroworks
5 Walter Sisulu Street; Universitas; Bloemfontein; 9301

Mahoebe Eiendomme (Pty) Ltd intends to cultivate a 100 ha piece of land on the 147.91 ha project location on Farm De Eelt no 26, Prieska for the establishment of a vineyard. The additional 47.91 hectares will be utilised for the establishment of internal access roads and associated infrastructure. A pipeline will also be constructed from the water extraction point in the Orange River to the onsite storage dam. The principal objective for the grapes produced will be for the local production of wine.

The South African Heritage Resources Agency (SAHRA) notes the submission of the Draft Environmental Impact Assessment (EIA) and appendices for the proposed cultivation of 100 ha for the establishment of a vineyard and associated pipeline on Portion 10 & 11 of the farm De Eelt, near Prieska, Northern Cape Province. It is further noted that the Final Comment issued by SAHRA on the 11/10/2016 has been incorporated into the dEIA.

As per the Final Comment, the Final EIA and appendices must be submitted to the case application on the South African Heritage Resources Information System (SAHRIS) upon submission to the Department of Environmental Affairs (DEA). Should the Environmental Authorisation for the development be granted, SAHRA must be notified and the relevant documents uploaded to the case file on SAHRIS.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
