PROPOSED BROWN SHAFT AND CONVEYOR AT THE GOEDEHOOP COLLIERY, CLOSE TO MIDDELBURG, MPUMALANGA PROVINCE

Van Vollenhoven, A. (July 2012). Proposed Brown Shaft and Conveyor at the Goedehoop Colliery, close to Middelburg, Mpumalanga Province

SAHRA has received the above heritage report for a proposed coal mine in Mpumalanga. It is noted that this development application triggers Section 38(8) and as such, SAHRA is required to provide comment on the studies completed.

It is noted that no other information regarding this proposed development has been loaded onto SAHRA's online heritage management system, SAHRIS (www.sahra.org.za). Please can you provide the following information to SAHRA;

- The stage at which the project is at currently eg. BAR, Scoping Report, Final EIA, Authorisation granted
- Was comment on this application sought from SAHRA? What information was provided to SAHRA for comment?

Please can you ensure that SAHRA receives the relevant documentation such that SAHRA can issue a comment on this application. This should be done via SAHRIS, the online heritage management system, at www.sahra.org.za.

Should it not be possible to adhere to the above conditions, the applicant must consult with SAHRA regarding the reasons for non-compliance. We look forward to hearing from you.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully

Jenna Lavin
Heritage Officer
South African Heritage Resources Agency

Colette Scheermeyer
SAHRA Head Archaeologist
South African Heritage Resources Agency
