documents attached province : Limpopo**

Eskom has submitted an application in terms of section 38(1) of the National Heritage Resources Act, Act 25 of 1999 (NHRA) for a proposed 22kV power line in the Thakgalane Village on the farm Boschbokhoek 170 LT.

The current power line under application will be 1122m in extent and it will t-off at the SGK 22KV rural feeder and a further 537m will be upgraded. It will be supplying electricity to supply to business in the Thakgalane Village.

SAHRA Response to Notification of Development

This application constitutes a section 38 (1) application for approval by SAHRA in terms of the National Heritage Resources Act, no 25 of 1999 (NHRA), as the proposed power line exceeds 300 metres in length. As such SAHRA is providing response in terms of section 38(2) with regards to this application.

SAHRA Archaeology, Palaeontology and Meteorites Unit cannot make an informed decision on this proposed development because the information provided to this case is not enough to determine decisively that heritage resources will not be disturbed or damaged by the proposed power line construction. In order for SAHRA to process this case, The SAHRA requests that a ground level photographs of the power line route is provided on the case as well as the wayleave document.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
