Permit application to Export possible Fossil Burrow for synchrotron scanning.

Thank you for your permit application for temporary export of a possible fossil burrow for synchrotron scanning at the ESRF in France.

The APM HOB Committee has assessed your application and have decided to grant the temporary export permit.

Please note that this permit is valid from 3 September 2013 to 30 September 2014. A permit report on the completed work is required by 30 September 2015.

Please note that SAHRA must be informed once the specimen has been returned to the University of Witwatersrand.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully

Jenna Lavin
