In terms of Section 38(8) of the National Heritage Resources Act (Act 25 of 1999)

Attention: Ceriso 530 (Pty) Ltd

Proposed establishment of a private resort with a total ecological footprint of approximately 5 hectares on portions of Portion 3 Buffelskloof 511 IQ, Tlokwe Local Municipality, North West Province.

Thank you for submitting the Basic Assessment Report and mapping this project on SAHRIS.

It is noted that SAHRA has already provided a final comment for this proposed development dated 12 September 2012 as part of SAHRIS Case 425. Therefore the letter issued by SAHRA dated 22 August 2013 was issued erroneously and is withdrawn.

It is further noted that the proposed development falls within an area that is not palaeontologically sensitive and as such, no further palaeontological studies are required.

As such, SAHRA will not be providing any further comments on the proposed development.

If any new evidence of archaeological sites or artefacts, palaeontological fossils, graves or other heritage resources are found during the course of development, construction, SAHRA (Mr Phillip Hine/Mrs Colette Scheermeyer, tel. 021 462 4502) and an archaeologist or palaeontologist, depending on the nature of the findings, must be alerted immediately. If the newly discovered heritage resource/s is considered to be significant a rescue excavation may be required.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
