**Mitigation of Erf 22011, Bloemfontein, Free State as required by SAHRA in final comment for CaseID: 10947 for the proposed Heritage Lifestyle Centre development on said erf. Mitigation entails a systematic reconnaissance of the development area and collection and recording of any further finds that could shed light on the occupation period of this site as part of future research. Only surface material will be collected as no midden has been identified during the reconnaissance phase of the project. Material to be collected under this permit will be curated at the National Museum as official repository of archaeological material for the Free State.**

Dear Loudine,

### **RE: Mitigation of Erf 22011 ( Dam van Trane), Bloemfontein**

Thank you for your permit application for mitigation of Erf 22011 (Dam van Trane) for surface finds and/or object collection. SAHRA has successfully reviewed and approved your application. Kindly note the permit is valid until 30 September 2022.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
