Johannesburg

I wish to continue excavating at Holkrans as part of the third year archaeology field school for Wits University students. North West .

Dear Prof. Sadr,

The SAHRA Archaeology, Palaeontology and Meteorites Permit Committee has received your application requesting a permit for the excavation of the Later Stone Age rockshelter of Buffelskloof, where you have been leading a field school for the last few years.

The Permit Committee has assessed the progress of the previous years and the permit report submitted for the previous permit and agreed to issue the permit.

We wish you every success with this project.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
