Dear Dr Curnoe

PERMIT: No. 80/04/07/023/51

I attach as requested a permit for the excavation (up to 2 square metres) of brecciated material and for superficial collection of a further 2 square metres of material from Groot Kloof (GKB and GKD) in the Barkly West District, Northern Cape.

The application for Molony's Kloof (MKA) will be processed as soon as we have received documentation providing a sketch of the site with, mapping exactly where test excavations would be undertaken. Please consult the conditions of the attached permit before commencing work at the site.

Should you have any questions please contact us as soon as possible. SAHRA wishes you every success with the project.

Sincerely

Mrs Mary Leslie
