### Permit application: collection of cattle dung from eight farms in the Limpopo Province for radiocarbon dating.

Dear Prof. Huffman,

SAHRA received your application regarding the dung project in Limpopo in September 2012. SAHRA followed up with a SAHRIS message on the 11th of September and with an email message on the 13th of September 2012 requesting additional information, since the original submission was incomplete.

SAHRA has never received any further information regarding this project. Since the application is more than twelve months old, the application has expired.

Should you need any help in submitting a new application, please contact us.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
