PROPOSED NEW CEMETERY ON ON ERF 258, HORSESHOE ,(PREVIOUSLY KRANZ FONTEIN), KOKSTAD, KWAZULU-NATAL

Thank you for the opportunity to comment on the development proposal. Based largely on the findings outlined in the Heritage Impact Assessment by Gavin Anderson, the Institute does not consider the development as a threat to any known heritage resources.

The Institute therefore has no objection to the proposed development. You are also required to adhere to the below-mentioned standard conditions:

Conditions:

1. The Institute should be contacted if any heritage objects or features are identified during earth-moving activities and all development should cease until further notice.
2. No structures older than sixty years or parts thereof are allowed to be demolished altered or extended without a permit from the Institute.
3. Under no circumstances may any heritage material be destroyed or removed from site unless under direction of the Institute and a heritage specialist.
4. Should any bone remains be found on site , the Institute and the South African Police Service (SAPS) Forensic unit should be contacted. No SAPS official may disturb or exhume such remains, without the necessary permits from the Institute.
5. No activities are allowed within 50m of a site, which contains rock art.
6. Sources of all natural materials (including topsoil, sands, natural gravels, crushed stone, asphalt, etc.)
