

Engen Zenex Blend Plant Decommissioning

Final Comment

IN TERMS OF SECTION 38 OF THE NATIONAL HERITAGE RESOURCES ACT (ACT 25 OF 1999) AND SECTION 41 OF THE KWAZULU-NATAL AMAFA AND RESEARCH INSTITUTE ACT (ACT 05 OF 2018)

Attention: Luvasan Hirchan
Engen Limited

Engen proposes to decommission Zenex Blend Plant (ZBP). The scope of work involves the safe and controlled demolition of all structures, buildings, paving and equipment located above ground level as well as all foundations and underground structures. ZBP is located at the cutler complex in Island View in Durban, Kwa Zulu Natal.

The application for comment/decision in terms of heritage legislation was considered by the Provincial Heritage Authority, the KwaZulu Natal Amafa and Research Institute at the Heritage Officers Meeting held on 27 July 2021.

It was noted that the proposed development site has no significance. However, Fossil Chance Find Protocol should be utilised if fossils are seen on the surface and when excavations commence.

The KwaZulu Natal Amafa and Research Institute therefore has no objection to the proposed development within limits of the stipulated conditions and mitigation measures.

You are also required to adhere to the below-mentioned standard conditions:

Conditions:

1. The KwaZulu Natal Amafa and Research Institute should be contacted if any heritage objects are identified during earth-moving activities and all development should cease until further notice.
2. No structures older than sixty years or parts thereof are allowed to be demolished altered or extended without a permit from the KwaZulu Natal and Amafa Research Institute.
3. Under no circumstances may any heritage material be destroyed or removed from site unless under direction of the KwaZulu Natal and Amafa Research Institute and a heritage specialist.
4. Should any remains be found on site that is potentially human remains, the South African Police Service (SAPS) should also be contacted. No SAPS official may disturb or exhume such remains, without the necessary permission from the KwaZulu Natal and Amafa Research Institute.
5. No activities are allowed within 50m of a site, which contains rock art.
6. Sources of all natural materials (including topsoil, sands, natural gravels, crushed stone, asphalt,

etc.) must be obtained in a sustainable manner and in compliance with the heritage legislation.

Failure to comply with the requirements of the National Heritage Resources Act and the KwaZulu Natal Amafa and Research Institute Act could lead to legal action being instituted against the applicant.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
