Onelogix (Pty) Ltd, a vehicle transport and logistics company wish to create further facilities to compliment and augment their current operations on their adjacent landholding to Erf 30 Umlaas Road, Mkhambathini Local Municipality.

Thank you for the opportunity to comment on the project proposal. The survey conducted by Len van Schalkwyk of eThembeni on 20 October 2018 did not find any heritage resources within the development footprint.

Amafa therefore has no objection to the proposed development.

You are however required to adhere to the below-mentioned standard conditions as the possibility of chance finds cannot be ruled out:

Conditions:

1. Amafa should be contacted if any heritage objects are identified during earth-moving activities and all development should cease until further notice.
2. No structures older than sixty years or parts thereof are allowed to be demolished altered or extended without a permit from Amafa.
3. Under no circumstances may any heritage material be destroyed or removed from site unless under direction of Amafa and a heritage specialist.
4. Should any remains be found on site that is potentially human remains, the South African Police Service (SAPS) should also be contacted. No SAPS official may disturb or exhume such remains, whether of recent origin or not, without the necessary permission from Amafa.
5. No activities are allowed within 50m of a site, which contains rock art.
6. Sources of all natural materials (including topsoil, sands, natural gravels, crushed stone, asphalt, etc.) must be obtained in a sustainable manner and in compliance with the heritage legislation.

Failure to comply with the requirements of the National Heritage Resources Act and the KwaZulu Natal Heritage Resources Act could lead to legal action being instituted against the applicant.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
