THE PROPOSED CONSTRUCTION OF FURTHER EDUCATION TRAINING (FET) COLLEGE IN GREYTOWN, KWAZULU

We acknowledge receipt of your invitation for comment with regards to the proposed development. The object of Amafa is to administer, conserve and protect heritage resources of the Province within the terms of KZN Heritage Act no. 4 (2008) and the National Heritage Resources Act No 25 of 1999. Since the site survey by Makhosazana Mngomezulu of Nema Consulting did not yield heritage resources within the development footprint, the development is exempted from a full Heritage Impact Assessment. Development can proceed as planned bearing in mind the possibility of presence of sub-surface finds. The developer is required to inform Amafa should any heritage resources be exposed during construction activities.

You are also required to adhere to the below-mentioned standard conditions:

Conditions:

1. No structures older than sixty years or parts thereof are allowed to be demolished altered or extended without a permit from Amafa.
2. No activities are allowed within 50m of a site, which contains rock art.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
