

## Final Comment

### In terms of Section 38(8) of the National Heritage Resources Act (Act 25 of 1999) and the KwaZulu-Natal Heritage Act (Act 4 of 2008)

Attention: ECA CONSULTING

48 Banfield Crescent, Morningside, Durban 4001

**The applicant, eThekweni Water and Sanitation Unit, proposes construction of a collector sewer, sewage pump station, ancillary works and rising main on Gwala Farm. The proposed works will tie into the existing infrastructure and a portion of the existing 450mm trunk main will be regraded en-route to the Wastewater Treatment Works (WWTW). The regarding of the trunk main forms part of the project. The project is located in Belvedere North (Ward 61), eThekweni Municipality.**

The application for comment has been considered. A site inspection was conducted by the heritage practitioner and the resultant Heritage Impact Assessment Report by Jean Beater in support of this application indicates that no heritage sites were found during the inspection of both areas of proposed development.

Amafa therefore has no objection to the development.

You are also required to adhere to the below-mentioned standard conditions:

#### Conditions:

1. Amafa should be contacted if any heritage objects are identified during earthmoving activities and all development should cease until further notice.
2. No structures older than sixty years or parts thereof are allowed to be demolished altered or extended without a permit from Amafa.
3. Under no circumstances may any heritage material be destroyed or removed from site unless under direction of Amafa and a heritage specialist.
4. Should any remains be found on site that is potentially human remains, the South African Police Service (SAPS) should also be contacted. No SAPS official may disturb or exhume such remains, whether of recent origin or not, without the necessary permission from Amafa.
5. No activities are allowed within 50m of a site, which contains rock art.
6. Sources of all natural materials (including topsoil, sands, natural gravels, crushed stone, asphalt, etc.) must be obtained in a sustainable manner and in compliance with the heritage legislation.

Failure to comply with the requirements of the National Heritage Resources Act and the KwaZulu Natal Heritage Resources Act could lead to legal action being instituted against the applicant.

This decision is **valid for a period of two years.**
