

## Interim Comment

In terms of Section 38(8) of the National Heritage Resources Act (Act 25 of 1999) and the KwaZulu-Natal Heritage Act (Act 4 of 2008)

Attention: Umgeni Water

### PROPOSED AMENDMENT TO THE ENVIRONMENTAL AUTHORISATION DC22/0078/08: GREATER ESTON WATER SUPPLY PIPELINE TO WARDS 4, 5, 6 AND 7 OF MKHAMBATHINI LOCAL MUNICIPALITY; AND, WARD 5 OF RICHMOND LOCAL MUNICIPALITY, UMGUNGUNDLOVU DISTRICT MUNICIPALITY

We acknowledge receipt of your invitation for comment with regards to the proposed realignment of two sections of the DAEA authorised Eston/Mkhambathini pipeline route . This area is generally associated with stone age material, informal graves as well as historical sites and should therefore be subjected to a Heritage survey.

Considering the heritage value of the area of proposed development, **a Heritage Impact Assessment is required for the above proposed project.** This must include the archaeological component (Phase 1) and any other applicable heritage components. Amafa KZN Heritage therefore requires the appointment of an Amafa accredited Heritage Practitioner to assist in the provision of recommendations and mitigation procedures.

Please download our list of Cultural Resources Management Practitioners(CRM) or Heritage Practitioners from our website [www.heritagekzn.co.za](http://www.heritagekzn.co.za).

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully

Bernadet Pawandiwa  
Senior Heritage Officer
