Final Basic Assessment Report: Development of Portion 55 and Part of the Remainder of Portion 39 of the Farm Townlands of Lydenburg 431-JT, Gustav Klingbiel Reserve.

Thank you for the submission of the Basic Assessment Report regarding this case.

SAHRA APM Unit reviewed the heritage report for this particular project in 2010 and made several recommendations regarding heritage resources that were identified during the heritage assessment field survey. It is noted that a sensitivity map was produced that demarcates an area that will not be developed. SAHRA APM Unit requires that the heritage resources be mapped on the sensitivity map. As soon as this map is submitted to SAHRA a decision regarding the heritage resources will be issued.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
