Dear Mr Hart

PERMIT: 80/04/03/005/51

Attached please find a permit application to allow for the disinterment of graves currently at Osplaas station cemetery and its reinterment about 50m from the original graveyard above the old railway line. SAHRA has noted the need to relocate the remains is to prevent the destruction of the graves that will be impacted on by the development of a dam. SAHRA understand that the process of relocation will be undertaken by an undertaker and supervised by yourself and Mr Halkett who will be present to document the proceedings.

SAHRA wishes you every success with the project.

Sincerely

Mrs Mary Leslie
