Proposed export of samples from three domestic sheep teeth from Steenbokfontein for radiocarbon dating.

Dear Prof. Parkington and Dr Jerardino,

The Archaeology, Palaeontology, Meteorites, Heritage Objects and Burials permit committee at SAHRA received your application requesting a permit for the export of three ovid teeth from the Later Stone Age site of Steenbokfontein.

A permit for the sampling of the material has already been issued by Heritage Western Cape.

The permit committee agreed with the issuing of the permit.

We wish you every success with this project.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
