

## Interim Comment

In terms of Section 38(8) of the National Heritage Resources Act (Act 25 of 1999) and the KwaZulu-Natal Heritage Act (Act 4 of 2008)

Attention: Umzimkhulu Local Municipality

The Umzimkhulu Local Municipality has identified the need to establish a formal cemetery site for the population of Kokshill. Kokshill currently has two existing graveyards. The village of Kokshill is located in ward 13, in the southern region of the Municipality, approximately 29km south west of the Umzimkhulu central business district. The proposed site is located along a local road off the R56 road, to the north of the village centre on a vacant portion of land which land use is residential and subsistence agriculture. An existing grave yard exists and it is proposed that the current cemetery incorporates the existing grave site. The proposed cemetery establishment is aimed to provide burial sites which will directly cater to the Kokshill and nearby communities for the next twenty (20) to thirty(30) years, and as such approximately two hectares (2ha) of land will be requires. The project is aimed to provide a burial location in close proximity for the local community, so as to prevent 'back yard burials' and also to help reduce the need to travel to district cemetery sites. The cemetery establishment aims to cater for the cultural needs within the municipal area.
